

**PLEASE NOTE THAT THE WAY THE KIT IS PACKED DOES NOT NECESSARILY REPRESENT THE WAY OF MOUNTING TO THE BIKE**

### **Fitting Instructions for CP0134BL Crash Protectors Aprilia Tuono Fronts**

**Please note that in cases where kits are packed with rubber washers holding the components onto the bolt – *the rubber washers should be thrown away!***

#### **Right Hand-side (as you sit on the bike)**

- Remove existing crash protector.
- Remove side fairing panel.
- Remove existing crash protector mounting.
- Take the R&G block with the largest cut-out & fit to bike using one 10mm x 80mm long & one 10mm x 90mm long cap head bolt & tighten.
- Remove original fairing retainer from the original part that you moved.
- Hold behind appropriate hole in fairing & fit one of the fairing screws & tighten.
- Refit fairing.
- Take one of the 2 spacers supplied & push in hole in fairing (longest shoulder first) until the large diameter just goes in.
- Take one of the 10mm x 120mm long bolts & one 10mm washer & slide washer up to head of bolt.
- Push bolt through one of the protectors then slide one of the aluminium discs up to recess in protector.
- Push assembly through spacer in fairing & screw into block previously fitted.
- Once bolt has started, push bolt through fairing so small diameter just sticks through.
- Tighten bolt until you feel some compression from inside the protector. Turn a little more so that you feel the compression increase slightly. Then apply a quarter turn. Do not overtighten as damage can occur to the bike. Do not exceed 40nm of torque.

#### **Repeat for Left Hand-side**

*Due to the risk of cross threading of bolts etc; we recommend that our products be fitted by one of our official dealers or a qualified mechanic.*

#### **CONSUMER NOTICE**

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

#### **R&G RACING RETURNS POLICY (NON-FAULTY GOODS)**

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.
